### Candidates

Local and/or State governments should pass non-discrimination ordinances that would provide special protection for those who self-identify as lesbian, gay, bisexual, or transgender.

Human life begins at conception and deserves legal protection at every stage until natural death.

There should be a strict constitutional spending limit for state and local governments that would tie the rate of spending to the rate of population growth plus the rate of inflation.

Free enterprise and the right to private property turn mankind's natural self-interest into the fairest and most productive economic system there is.

Marriage is the union of one man and one woman. No government has the authority to alter this definition.

Free market competition for education dollars, rather than a government monopoly, would create a better education for all students.

Religious freedom is our most foundational freedom and deserves added protection in our state and federal constitutions.

The liberty of parents to direct the upbringing, education, and medical care of their children is a fundamental right.
